The LIGHT collection of represented brands is diverse, covering all style genres appropriate for commercial, institutional, retail, hospitality and residential environments. From simply functional to iconic functional art, LIGHT represents companies whose lighting objects complement the surroundings they illuminate.

The LIGHT team is an experienced group of lighting professionals who are passionate about lighting, well versed in design support, product selection and project management. We are eager to help you specify lighting that will consistently exceed your expectations.

To view the complete collection of these renowned innovators, please visit www.light-ca.com.

LIGHT is socially engaged on Facebook and Twitter!  

“Like” us at www.facebook.com/LIGHTfb and follow us on www.twitter.com/LIGHTsocial to receive updates on new products and designs from our represented brands, and the latest topics regarding our industry.
